### STUDENT CRITERIA & INSTRUCTIONS

The student must:

1. Take courses at the Host School that are transferable to their degree or certificate program at UHV or be enrolled in a remedial course(s) that increases the student's ability to pursue his/her program of study. **NOTE:** Virtual College of Texas (VCT) courses that are not offered on-site by the host institution, (i.e., Victoria College, HCC, etc.) are not eligible and will not be counted in the student's enrollment status regardless of their transferability to the student's degree or program.
2. Be enrolled in a degree-granting program at UHV making satisfactory academic progress as specified by the UHV Satisfactory Academic Progress policy.
3. Submit all aid forms pertinent to determining eligibility for aid awards for the appropriate academic period, including an itemized charges and payment receipt/payment plan and class schedule from the participating Host Institution for the correct term in which the Consortium Agreement is being requested. Failure to furnish an itemized charges and payment receipt/payment plan & class schedule will cause a delay in the readjustment in your financial aid. **NOTE:** Class Schedule needs to have start/end dates.
4. Make independent arrangements for payment of enrollment expenses at the Host Institution without reliance on emergency student loans or other forms of financial assistance from UHV (Financial aid cannot be disbursed until actual enrollment at UHV and enrollment at Host Institution is verified). UHV does not pay your tuition at the host institution.
5. NOT be receiving federal financial aid at the Host School. Must be enrolled at least half time at UHV in order to receive institutional grants.

By signing this Consortium Agreement you agree to allow the Host Institution indicated above to provide the UH-Victoria Office of the Registrar with an Academic Transcript at the end of each term for which this Agreement is submitted. Also you agree to the terms and requirements set forth in Section 1, Student Criteria and Instructions.
